## JEWEL MULTI REFERENCE

### To create your jewel multi:

Select your color group: **Bianca (1) | Capri (2) | Sahara (3) | Chianti (4)**  
 Choose two glaze options from that color group to customize your tile.

Reference your Jewel Multi sample board to choose from 1 of 4 color groups, or visit <https://encoreceramics.com/jewel-multi/>

Begin with a Bianca base.

Choose color A: Aegean.

Choose color B: Cortez.

We'll combine the colors to create a jewel multi. Aegean-Cortez jewel multi.

### Select tiles may be custom colored.

Visit [encoreceramics.com](https://encoreceramics.com) or reference your pricebook for color placement. On each product page you'll find a jewel multi reference.
